LBX 2048	LE	20'	48"		45,000 lb and up	4,025 lb	48"	Fixed side gates

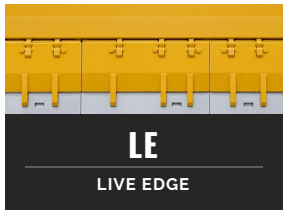

AVAILABLE EDGES

A lighter LIVE EDGE for smaller carriers: floating trip sections that follow the unevenness of the ground.

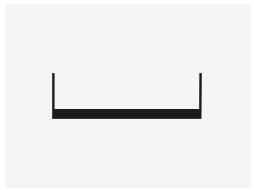

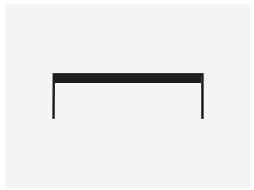

Standard trip edge allows the cutting edge to trip back.

A floating soft drive steel trip edge with carbide inserts for longer wear life, that contours the unevenness of the ground for a cleaner result.
